

The St. Anthony's Church Foundation

St. Anthony's Church Foundation is an endowment originally established in 1982 by Msgr. Edward Burian for the support of St. Anthony's Catholic School. With the closure of the school in 2000, the Foundation was renamed the St. Anthony's Church Foundation and its purpose is threefold: For the needs of worship, religious education and repair of the Church building.

The ongoing care and maintenance of our "Cathedral of the Prairie" is a formidable challenge. The St. Anthony's Church Foundation helps to ensure that future generations will be able to experience and be inspired by our National Historic Landmark. Through events like the annual "Christmas on the Prairie" Benefit Concerts, bequests, charitable trusts, and cash gifts, this endowment is making a significant impact by providing the necessary financial support for the perpetual care of St. Anthony's Church. To date, current gifts to St. Anthony's Foundation total over \$225,000.

The St. Anthony's Church Foundation is a 501(c)3 non-profit organization and is governed by an independent Board of Directors. In addition to the tax benefit, all donors and memorialized loved ones are remembered and prayed for in a monthly Mass offered on their behalf for years to come.
